

ABOUT RED LAKE CONSTRUCTION

Red Lake Construction, LLC is a tribally-owned, SBA 8(a) certified Small Disadvantaged Business specializing in general construction services. Our tribes' construction journey began nearly 50 years ago with a commitment to excellence and a vision to create sustainable, innovative, and enduring spaces for businesses and communities alike. Over the years, we have grown, evolved, and adapted to the ever-changing landscape of the construction industry, but our core values remain unwavering. As a proud member of the Red Lake Inc. family, we draw upon the collective support and knowledge of our sister companies, Red Lake Builders and Earthworks Technology, both of which are graduated SBA 8(a) construction firms & have numerous current contracts. Together we offer a comprehensive suite of construction services with a commitment to excellence, integrity, and community.

PERSONNEL EXPERIENCE

Red Lake Construction has a highly experienced team of Estimators, Project Management, and Field personnel with decades of government construction experience, along with the resources required to manage federal contracts. Our personnel have worked with several government agencies including: USACE, US Air Force, NAVFAC, GSA, National Park Service, FAA, Department of Agriculture, Department of Labor, Customs and Border Protection, US Navy, DOL, Smithsonian, and NIST.

We strive to take advantage of our sterling reputation by treating every federal project as an opportunity to expand our base of satisfied customers and an opportunity to secure additional work based on customer satisfaction.
