## Personnel Experience

Red Lake Construction has a highly experienced team of Estimators, Project Management, and Field personnel with decades of government construction experience, along with the resources required to manage federal contracts. Our personnel have worked with several government agencies including: USACE, US Air Force, NAVFAC, GSA, National Park Service, FAA, Department of Agriculture, Department of Labor, Customs and Border Protection, US Navy, DOL, Smithsonian, and NIST. We work hard to capitalize on our excellent reputation by viewing each federal project as a chance to grow our clientele and capture new business based on client satisfaction.
